

Encrypt Password Error Instructions

Please follow the instructions to prevent the encrypt password error message from occurring in Google Chrome. Either Page 1 or Page 2 instructions will fix the issue depending on your chrome version.

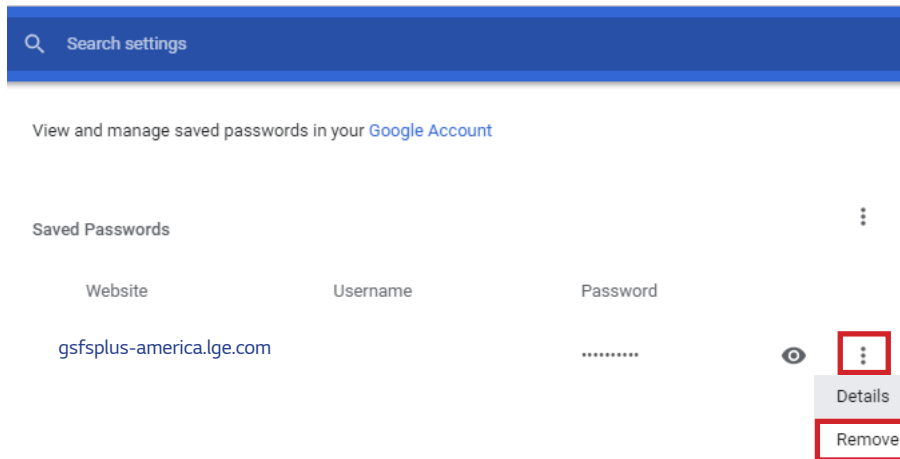

1. Click the 3 dots, then **Settings**

2. Click the Passwords **arrow** under People

3. Under Saved Passwords, find gsfsplus-america.lge.com, click the dots **⋮** and select **remove**

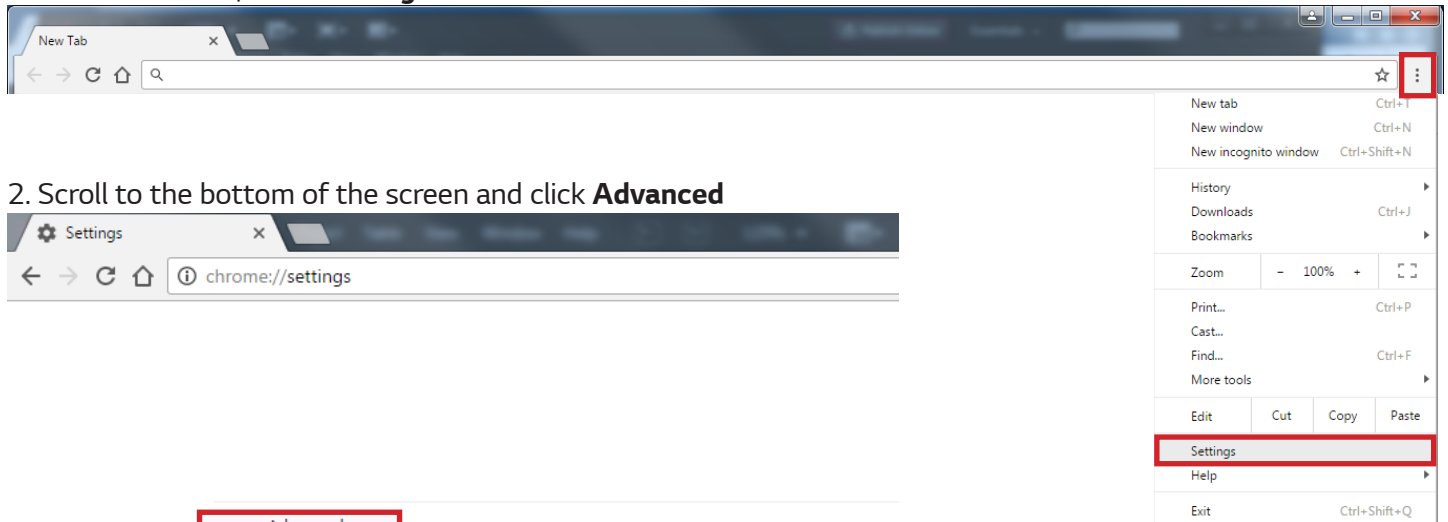

4. Close then Re-Open browser. (Click **Never** if prompted to save the password in GSFS)

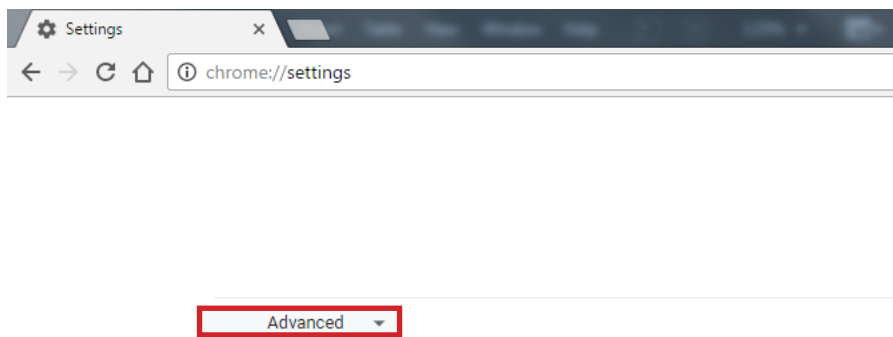

Encrypt Password Error Instructions

These instructions are specific for an older version of the Google Chrome browser.

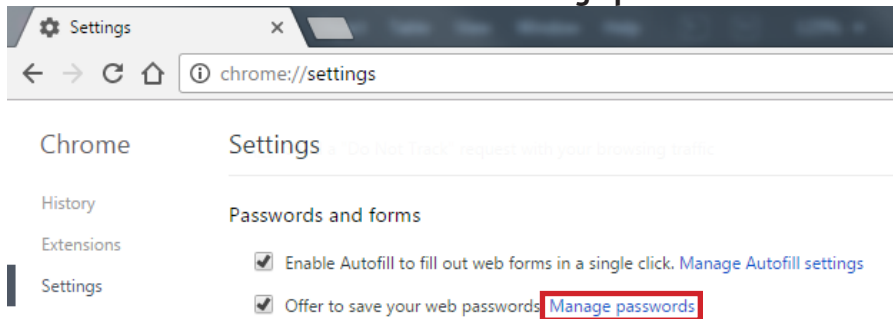

1. Click the 3 dots, then **Settings**

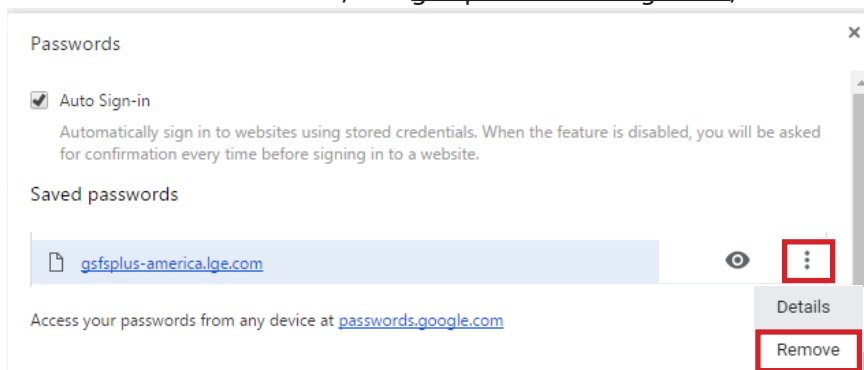

2. Scroll to the bottom of the screen and click **Advanced**

3. Find Passwords and Forms and click **Manage passwords**

4. Under Saved Passwords, find gsfsplus-america.lge.com, click the dots  and select **remove**

5. Close then Re-Open browser. (Click **Never** if prompted to save the password in GSFS)
